

HEART CHECK & PRAYER

CREATION RESTORED

*"They will neither harm nor destroy on all my holy mountain,
for the earth will be filled with the knowledge of the LORD
as the waters cover the sea."*

ISAIAH 11:9 (NIV)

HEART CHECK

Take a moment before the LORD
and reflect honestly.

- ♥ Do I see myself as a steward of God's creation or just a consumer of it?
(Genesis 2:15)
- ♥ Do I treat animals and the earth with the care and respect God designed?
(Proverbs 12:10; Psalm 104:24)
- ♥ Am I living in hope of the day when God will restore all things?
(Romans 8:19–23)
- ♥ Is my life reflecting the peace, justice, and harmony of God's coming kingdom?
(Isaiah 11:6–9)

PRAYER

Father, You created all things
and called them good.
Thank You for the beauty and wonder
of Your creation and for making
me a steward of it.
Help me to serve and guard
all that You have made with
humility and gratitude.
Fill my heart with hope for the day
when You will make all things new—
when the wolf will live with the lamb
and the earth will be filled with
Your knowledge and peace.
Until that day, help me to reflect
Your love and care in how I treat
Your creation and every
living creature.
In Jesus' name, Amen.

PROMISE TO REMEMBER

God will bring His perfect peace and justice to all His creation.
His plans are good, and His promises never fail.

PRaise HIM FOR

- His creativity and wisdom in creation
- His faithfulness to keep His promises
- The hope of a restored earth
- The gift of every living creature
- His love that sustains all things

ASK HIM FOR

- A heart that stewards well
- Wisdom to care for creation daily
- Patience as we wait for His promises
- Compassion for every living thing
- A life that reflects His kingdom

PUT IT INTO PRACTICE

Look for one practical way today to honor God as creator and steward over His creation.

Care for the earth
(plant, clean up,
conserve water).

Show kindness
to an animal.

Teach someone—
especially a child—
about God's creation.

Pause today to
worship God through
what you see around you.

CLOSING THOUGHT

One day, all creation will reflect the glory of God.
Today, let your life be a testimony of that hope.
