

SMELLS LIKE SMOKE

PART 4

Heart Check & Prayer

“Save others by snatching them from the fire;
to others show mercy, mixed with fear.” — Jude 23

HEART CHECK

Take a moment to examine your heart.
Ask the Holy Spirit to be honest with you.

Do I show more mercy or
more judgment?

Am I quick to criticize people
who are far from God?

Am I willing to get messy
to help others?

Do I avoid people who struggle
because I don't want to deal
with the mess?

Do I hate what is destroying people
without hating them?

Do I allow sin to pull me away,
or do I stay close to Jesus
while reaching out in love?

Am I faithful in little things?

Do I pray, invite, love, and speak truth
even when I don't see immediate change?

Do I trust God to do what
only He can do?

Do I rely on Him to save,
change hearts, and bring
people all the way home?

REMEMBER

We don't save. Jesus saves.
We are His hands, His voice,
and His invitation.
He is the One
who changes hearts.

*Don't demand that someone
stop smelling like smoke before
you're willing to help pull them
from the fire.*

*Rescue begins
with mercy.*

PRAYER

*Father, thank You that You are the One who seeks and saves.
Give me a heart that looks like Jesus—merciful, bold, and full of love.
Help me reach people with Your truth and Your grace.
Keep me close to You as I go, and protect me from the things that destroy.
Use me to be Your hands and Your voice to the lost.
Change hearts. Bring repentance. Restore what is broken.
May many be rescued and find a home in You. In Jesus' name, Amen.*

Rescued people → rescue people.
