

Heart Check & Prayer

WISDOM FOR A LIFE THAT HONORS GOD

HEART CHECK

- ♥ Am I open to correction, even when it's hard to hear?
- ♥ Do I see discipline as an act of love rather than an attack?
- ♥ Whose counsel am I listening to in my decisions?
- ♥ Am I allowing godly wisdom to shape my habits, thoughts, and relationships?
- ♥ Where do I need to turn from folly and draw closer to God's instruction?

LET'S PRAY

*Father,
Thank You for Your loving discipline and for not leaving me to figure life out on my own. Give me a humble and teachable heart. Help me to receive correction with gratitude, knowing it comes from love. Turn my eyes away from folly and toward Your wisdom. Guard my heart, my thoughts, and my steps. Surround me with godly counsel and give me discernment to recognize what leads to life and what leads to destruction. Make me more like You each day. In Jesus' name, Amen.*
